Dear Mrs. Parlow;

I received Kathleen's
letter from Christiania
and Yours from Lubeck.

Kathleen made a beauti-
ful description of
Your Norwegian Trip.

And the success! I am
more and more sure
that she will make
her way.

And now America,
Canada!

So you finished still
to sign a contract
with Meyer? My best
wishes for the Law; I
would be so happy if
she would be appreciated
there as she ~~age~~ ought to
be. Miss Schoenfeld
showed me to day a
brilliant biographical

notice about Hallam in the "Universal
Review" dated from London.
As I am very anxious to know how
you will spring on in New-York
I expect ~~at~~ a letter immediately
after her debut and, if possible, some
criticisms. - The number of my

Foreign pupils is always
increasing so I am
obliged to refuse all
(demands) new comers.

My health is not bad;
like Kathleen, as more I
work so more I ~~get~~ ^{feel} strong.

And now, happy journey,
My best kisses and my
love to your father. -

L. Auer

Mrs. Stein send her best
love. -
